To Whom It May Concern:

Restricted Substances List & Declaration of Conformity

The Restricted Substances Listing (RSL) and by extension, the REACH Directive EC 1907/2006, aim to improve the protection of human health and the environment through better and earlier identification of chemical substances.

Cortec Policy

It is Cortec's policy to conduct business in a manner consistent with sound environmental management and safety practices and to comply with applicable environmental laws and regulations. Through the use of best management practices, improvements are continually made to conserve natural resources, ensure personnel safety, and to minimize the use of environmentally sensitive and harmful materials.

Cortec Precision Sheetmetal is committed to meeting the requirements of the RSL and REACH EC 1907/2006 Directive and has reviewed its corporate standards accordingly. This letter is to declare that, to the best of our knowledge, Cortec Precision does not use any of the RSL's listed. Cortec is a metal fabricator and does not manufacture any raw materials, or electrical or electronic equipment.
